

DECLARATION OF THE LABORATORY'S COMMITMENT TO IMPARTIALITY, CONFIDENTIALITY AND MAINTENANCE OF CLIENT PROPERTY

The Managing Director of FITOSOIL declares the commitment to:

1. Guarantee that all activities carried out at FITOSOIL will be carried out impartially and confidentially, including activities that are supplied externally.
2. Develop your activity free of commercial, financial or other pressures that may compromise impartiality, reporting those cases in which it may be compromised.
3. Establish measures for the continuous identification of risks to impartiality and confidentiality that may affect its integrity, independence and objectivity, reviewing and updating them and establishing measures aimed at eliminating or controlling and minimizing their effects.
4. Establish measures to ensure the protection of its clients' data and to maintain the confidentiality of the results and information obtained in carrying out its activities included in any type of physical or electronic support, are the property of the client and will be considered confidential.
5. Inform the client in advance about the information that he intends to make available to the public, except for the information that the client himself makes available to the public or when agreed with him.
6. Inform the client or interested person in advance when it is intended to reveal confidential information when required by law or authorized by contractual provisions, unless prohibited by law.
7. That all information obtained about a client from sources other than the client itself will be considered confidential between the client and the laboratory itself. In the same way, the source will be kept confidential and will not be shared with the client, unless previously agreed with both parties.
8. All FITOSOIL personnel, including individuals acting on behalf of the laboratory, will maintain the confidentiality of all information obtained or created during the performance of laboratory activities, except as required by law.
